Part B – FEE TRANSMITTAL FORM

Dear Sir:

In reference to the above application, payment of the issue fee was accomplished August 18, 2006 by EFS-Web. At that time the undersigned was advised by EFS-Web support that the issue fee transmittal form was not required, and the information would be gleaned from the file record. I now understand that this information was incorrect and am transmitting herewith duly executed Part B- Issue Fee Transmittal Form.

Respectfully submitted,

Dated: October 22, 2006
